Candidates with analytical, commercial, and creative capabilities, who are willing to work hard and diligently in a team-oriented environment

- Third-year Bachelor or Master students within business/economics or engineering with strong academic record
- Previous experience from relevant internships and extracurricular activities
- Commercially oriented with distinct and interest for investments
- Microsoft Office proficiency
- Fluent in English and Swedish or Norwegian

About Norvestor

Norvestor is a leading private equity firm that has partnered with Nordic businesses for nearly three decades. We have a total of 2.1 billion EUR in committed capital investing in medium-sized Nordic companies, with revenues in the range of €25–250 million. We typically invest in companies providing services, often where digitalisation and available technology can be utilised to make sustainable efficiency gains and create real value for clients and society.

Sustainability is a key aspect of Norvestor's investment philosophy. We are convinced that businesses that contribute positively to society and have sustainable business models will build long-term value. We want our contribution to be positive – not just because we believe acting responsibly leads to superior investment results and allow us to attract the best talent, but also because we are convinced it is the right thing to do.

The team comprises 40 professionals based in Oslo, Helsinki, Stockholm, Copenhagen, and Luxembourg. Our Stockholm office opened in 2016 and comprises 6 full-time employees.

If you have any further questions regarding the internship, please feel free to contact us. Please send your application including CV, cover letter, and grades to reception.se@norvestor.com
