

## We're now looking for a full-time intern to join our Oslo office

Norvestor is looking for final year bachelor's students to join our Oslo team full-time, for an internship with a six to twelve months duration. We offer a unique opportunity to experience the private equity industry firsthand and develop skills to pursue a career in investments or entrepreneurship. You will take an integral role in our investment team, taking on a significant amount of responsibility assisting us in acquiring and developing fast-growing Nordic companies.

The internship is a great opportunity to learn private equity, working closely with, and being coached by, the Norvestor team and attending the Norvestor Academy sessions. Our internship program supports the flexibility to apply and prepare for master's programs.

### Key responsibilities

- Prepare research and analyses for sourcing of new investments and development of our portfolio companies
- Financial modelling and company valuation
- Preparation of external and internal presentations and other material
- Attend meetings and discussions with various external advisors as well as with existing and prospective portfolio companies
- Assist deal teams with internal processes

### What we are looking for

- Third-year Bachelor's students in business/economics or engineering with a strong academic record
- Genuine interest towards investing combined with an attitude and willingness to work hard and diligently in a team-oriented environment
- Strong analytical, commercial and communication capabilities
- Relevant experience from previous internships in e.g. investment banking, management consulting, private equity, or other relevant positions and extracurricular activities prior to the start of internship
- Fluent in English and Norwegian. Proficiency in other Nordic languages is considered an advantage

The internship will start in the period from August 2023 to August 2024, preferably as early as possible.

If you have any further questions regarding the internship, please feel free to contact us at [intern@norvestor.com](mailto:intern@norvestor.com).

## Norvestor key facts

### About Norvestor

Norvestor is a leading private equity firm that has partnered with Nordic businesses for nearly three decades. We have a total of 2.1 billion EUR in committed capital investing in medium-sized Nordic companies, with revenues in the range of €25–250 million. We typically invest in companies providing services, often where digitalisation and available technology can be utilised to make sustainable efficiency gains and create real value for clients and society.

Sustainability is a key aspect of Norvestor's investment philosophy. We are convinced that businesses that contribute positively to society and have sustainable business models will build long-term value. We want our contribution to be positive – not just because we believe acting responsibly leads to superior investment results and allow us to attract the best talent, but also because we are convinced it is the right thing to do.

The team comprises 40 professionals based in Oslo, Helsinki, Stockholm, Copenhagen, and Luxembourg.
