

We're now looking for a full-time intern to join our Helsinki office

Norvestor is looking for final year bachelor or master students to join our Helsinki team full-time, for an internship with a six to twelve months duration. You will be based in Helsinki, however working in close collaboration with our team across the Nordics. We will offer a unique opportunity to experience the private equity industry first hand, and to develop skills to pursue a career within investments, transactions or entrepreneurship. You will take an integral role in our investment team, taking on a significant amount of responsibility assisting us in acquiring and developing fast-growing Nordic companies working as a full member of the Norvestor investment team.

Key responsibilities

- Prepare research and analyses for sourcing of new investments and development of our portfolio companies
- Financial modelling and company valuation
- Preparation of external and internal presentations and other material
- Attend meetings and discussions with various external advisors as well as with existing and prospective portfolio companies
- Assist deal teams with internal processes

What we are looking for

- Third-year Bachelor or Master students with relevant academic background from e.g. business/economics or industrial engineering
- Genuine interest towards investing combined with an attitude and willingness to work hard and diligently in a team-oriented environment
- Strong analytical, commercial and communication capabilities
- Relevant experience from previous internships in e.g. investment banking, management consulting, private equity, or other relevant positions and extracurricular activities prior to the start of internship
- Fluent in English and Finnish. Proficiency in other Nordic languages is considered an advantage

The preferred start of the internship will be Q1/2023 but we will also consider candidates for later periods in 2023. The exact timing and duration will be agreed together. Please indicate your availability for the internship in your application. If you have any further questions regarding the internship, we encourage you to contact either Lauri Tanskanen (lauri.tanskanen@norvestor.com) or Outi Kreuz (outi.kreuz@norvestor.com).

Please send your application letter, CV and grades to intern@norvestor.com no later than 21.9.2022. We will go through the applications on an ongoing basis, and we therefore strongly advise you to send in yours as soon as possible.

Norvestor key facts

About Norvestor

Norvestor is a leading private equity firm that has partnered with Nordic businesses for nearly three decades. We typically invest in service companies with revenues in the range of €25–250 million, often where digitalisation and available technology can be utilised to make sustainable efficiency gains and create real value for clients and society.

Sustainability is a key aspect of Norvestor's investment philosophy. We are convinced that businesses that contribute positively to society and have sustainable business models will build long-term value. We want our contribution to be positive – not just because we believe acting responsibly leads to superior investment results and allow us to attract the best talent, but also because we are convinced it is the right thing to do.

The team comprises 40 professionals based in Stockholm, Copenhagen, and Luxembourg. Our Stockholm office here, we have 4 professionals based in GOFJ.
