

We are looking for full-time interns to join our Oslo office

Norvestor is looking for final year bachelor's students to join our Oslo team full-time, for an internship with a six to twelve months duration. We offer an opportunity to experience the private equity industry firsthand and develop skills to pursue a career in investments or entrepreneurship. You will take an integral role in our investment team, taking on a significant amount of responsibility assisting us in acquiring and developing fast-growing Nordic companies.

The internship is a great opportunity to learn about private equity, working closely with, and being coached by, the Norvestor team. Our internship program supports the flexibility to apply and prepare for master's programs.

The internship will commence in the late Summer or early Fall of 2024.

Key responsibilities

- Prepare research and analyses for sourcing of new investments and development of our portfolio companies
- Financial modelling and company valuation
- Preparation of external and internal presentations and other material
- Attend meetings and discussions with various external advisors as well as with existing and prospective portfolio companies
- Assist deal teams with internal processes

What we are looking for

- Third-year bachelor's students in business/economics or engineering with a strong academic record
- Attitude and willingness to work hard and diligently in a team-oriented environment
- Strong analytical, commercial and communication capabilities
- Relevant experience from previous internships in e.g. investment banking, management consulting, private equity, or other relevant positions and extracurricular activities prior to the start of internship
- Fluent in English. Proficiency in other Nordic languages is considered an advantage

Please submit your application by September 25th to internship@norvestor.com, containing a brief cover letter, CV, and grade transcripts. We will go through the applications on an ongoing basis, and we therefore strongly advise you to send in yours as soon as possible. Please also mark NO in the subject field of your application.

About Norvestor

Norvestor is a leading private equity firm that has partnered with Nordic businesses for nearly three decades. We typically invest in service companies with revenues in the range of €25–300 million, often where digitalisation and available technology can be utilised to make sustainable efficiency gains and create real value for clients and society.

We are convinced that businesses that contribute positively to society and have sustainable business models will build long-term value. We want our contribution to be positive – not just because we believe acting responsibly leads to superior investment results and allow us to attract the best talent, but also because we are convinced it is the right thing to do.

The team comprises 43 professionals based in Oslo, Helsinki, Stockholm, Copenhagen, and Luxembourg. Norvestor has completed more than 80 buyouts and more than 400 add-on transactions. Today 25 Norvestor portfolio companies employ more than 21 thousand employees.
